The Hunt Club has the largest restaurant wine list in the state of Wisconsin with over 900 selections. We are proud to announce that we are the recipients of the 2008 "Best of Award of Excellence" from Wine Spectator magazine. This very special honor is given only to restaurants that exhibit a deep commitment to both the scope and quality of their overall dining experience, typically offering 500 or more selections and superior presentation. We are honored to be recognized for this award once again.
